"But seek first his Kingdom and his righteousness, and all these things will be given to you as well".
Matthew 6:33

A huge thank you to our volunteers and donors. Your wonderful support is very much appreciated and your donation of time, food and cash is invaluable and we cannot put into words how grateful we are.

You helped us feed 7,513 people in crisis last financial year (April 2023 to March 2024). We had a decrease of 1.4% from the previous financial year due to the Government's cost-of-living payments, which proves that if they had received the right financial support, they wouldn't have needed to come to a food bank!

We are still fighting for a fairer society where there is no need for food banks. While this is not a reality, we count on your kindness and generosity.

God bless you
